## PROFESSIONAL SUMMARY

Creative Video Editor and Colorist with over 10 years of experience cutting Commercials, TV Shows, Short Films, Trailers, Promos, and Music Videos. Comfortable with tight deadlines, heavy workloads and fast paced storytelling. Ego never gets in the way of accomplishing client's needs and director's vision. Meticulously organized and constantly evolving my craft. Currently full time Editor and Colorist at Psychic Bunny, where I have also acquired extensive on set experience that has been a valuable resource through all stages of production.
